Bill opened the meeting in prayer.

Richard shared with the team about the building, and for the new team members, gave a recap of the history of how EBA acquired the building from Templo Alpha & Omega. The Leadership Team has been praying about what the next steps for this building should be. Richard asked the team if they wanted to list the building for sale. The team agreed that selling the building is the best course of action at this time. Richard will contact a realtor and the property will be listed.

Meeting was closed in prayer by Richard Cody.
